

# Empower young minds with the **Team Academy for Social Change Young Voices Matter** programme from Creative Rebel CIC.

Inspire confidence, creativity, and communication skills in your KS2 pupils (ages 7-11) with **Young Voices Matter**, a transformative 10-week public speaking and storytelling programme. Designed to align with the **Voice21 Oracy Framework**, this programme helps children develop, refine, and present their own TED-style talks while cultivating essential life skills.

## Programme Overview

**Young Voices Matter** equips pupils with the tools to generate ideas, craft compelling narratives, and confidently deliver their thoughts. Through interactive workshops and teacher-led lessons, pupils progress from brainstorming ideas to delivering a polished five-minute talk in a celebratory final event.

### Programme Features

- **Dynamic Learning:** Biweekly one-hour workshops with expert facilitators and teacher-supported sessions using a structured guide.
- **Comprehensive Curriculum:** Pupils explore idea generation, storytelling, audience engagement, and public speaking skills through a blend of creativity and practical exercises.
- **Showcase Event:** The programme concludes with a **half-day rehearsal and presentation event**, where pupils showcase their growth to parents and peers.
- **Engaging Materials:** Pupils receive a workbook to support learning, creativity, and critical thinking between sessions.
- **Customisation:** Pupils choose their topics from curated themes, fostering engagement and personalised learning experiences.
- **Certification:** Participants receive certificates highlighting their skills and achievements.
